

Telephone Policy

Visiting Hours

Visitors: Visitors are encouraged to visit on the days/hours posted below. In special circumstances, arrangements will be made for visitation at other times with the physician's approval, as appropriate to the patient's clinical condition. Visitors should not bring their cellphones onto the units. Visitors are encouraged to abide by the established visitor limits on page 39 of the Patient & Family Guide, including: bringing only factory sealed food and drinks onto the units. *Visiting hours are subject to change.
