

Do you see...

Blue Sky OR Clouds?

If you are experiencing...

- *changes in appetite or weight*
- *persistent sadness or anxiousness*
- *changes in sleep patterns*
- *loss of interest in daily activities*
- *irritability & difficulty concentrating*
- *persistent fatigue or loss of energy*

**...you may only see the clouds right now.
It's okay. Talk to your doctor today.**

You can feel better and more hopeful with treatment.

You are not alone.
